

Quick Start Guide to Setting Up Your FMSONE Account

FMSOne is a single sign-on to log in to your account easily and securely. It allows you to access the apps that Tempus Unlimited has given you access to use. With FMSOne, you only need to remember one login for all your Tempus applications. Tempus will send you an email telling you that your account has been set up.

Below are the steps you must follow when signing up.

1. Open the **Welcome to Tempus Unlimited** email you received and click on the [Click here to sign up](#) link, shown here.

2. Click the **green Sign up** button on the page that opened.

At the bottom of the form is a green "Sign up" button. There are also links for "Forgot your password?" and "Didn't receive confirmation instructions?".

3. Create a **password** and **enter it in both fields**. Click the **green Sign up** button at the bottom of the form to proceed.

Note: Your name and email address will already be filled in on the form when you open the page. If not, please go back to the previous page and click on the green **Sign up** button again to come to this page.
